Dear Chapter President,

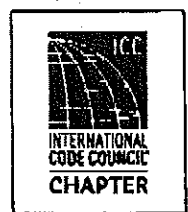

ICC is refreshing our brand. This effort is to promote awareness of ICC, our members and chapters' role in contributing to the safety of our communities. Part of this enhancement is that ICC has updated the look and feel of our Marketing materials, which includes refreshed ICC and Chapter logos. Our brand is our reputation and is a result of everything we do and say as an organization. In essence, the ICC brand will help to build long-term awareness and create a more professional image for our members, chapters and the organization as a whole.

We are inviting you, as an ICC chapter, to participate in this new branding effort. We have developed a unique logo for each ICC chapter. Your unique logo will contain the refreshed ICC Chapter logo along with your chapter's name in our proprietary font (see sample to the left). While participation is voluntary, we have received a lot of positive feedback about the new logo, and we hope that all of our chapters will take advantage of this opportunity. Should you choose to participate, you will receive a complimentary banner containing your new unique logo to be proudly displayed at chapter meetings and events.

Unique Logo

Within the next few months, you will receive an e-mail with your new, unique logo attached. If you wish to take advantage of this offer, you will be asked to verify that your chapter name is correct and reply back to us indicating your approval and acceptance of your new logo. Your banner order will be processed immediately and you may begin using your unique logo on all of your correspondence, newsletters, web pages, etc.

In addition to your unique logo, ICC has an updated general Chapter Logo (see image to the left). We will be providing this logo to you in the e-mail discussed above.

If you have any questions or need additional information, please feel free to contact Diana Westfall, Chapter Secretary, at 1-888-422-7233, ext. 7201 or at dwestfall@iccsafe.org.

Sincerely yours,

Dear Chapter President:

With the recent change to ICC's Board of Directors, there has been a change to your chapter's assigned Board Liaison. Your chapter's current liaisons are as follows:

- ◆ Board Liaison – Gerald George
- ◆ Staff Liaison – Robert Weitzel

The Board Liaison can attend chapter meetings when possible, provide guidance, and inform and advise chapters on the activities of the ICC. The Staff Liaison can also attend chapter meetings as well as enhance communication with ICC Board and staff and inform, counsel and assist your chapter on ICC matters.

Please add/replace your Board and Staff Liaison on any of your mailing lists. If you have not already done so, I would like to be included on your mailing lists as well. Your meeting minutes, newsletter and other correspondence will help us stay informed of your chapter meetings, activities and happenings.

To have an ICC Board member or executive staff member attend your most important chapter meetings, please see the enclosed Chapter Meeting Request Form. You are not required to use this form to request the attendance of your Staff Liaison. Please contact them directly. This form can also be filled out on-line on the chapter page at www.iccsafe.org.

Contact information for your liaisons and myself can be found on the attached rosters. If you have any questions, please feel free to call me.

Sincerely,
